歡迎您來到鄧公國小 我的名字是\_\_\_\_\_

Welcome to Dengkong Elementary School. My name is \_\_\_\_\_.

1.在校 門口介 紹校史	<p>今天由我來為大家介紹學校名字的歷史。</p> <p>我們成立於 1989 年 8 月 1 日，到現在已經__歲了，學校附近有一個很有名的二級古蹟，叫做鄧山寺，因為這座寺內供奉定光古佛，又因為「定光」與「鄧公」的閩南語讀音相同，所以「定光古佛」又稱「鄧公佛」，歡迎大家有空也可前往參觀。</p> <p>學校命名會議的時候，大家都認為，為了紀念「鄧公佛」，加上學校的主要學區就是「鄧公里」，所以就命名為「鄧公」國民小學了。</p>
<p>I would like to tell you a little bit about our school's name and history.</p> <p>Our school was founded on August 1, 1989 and is now XX years old. The school's name was chosen based on the name of the DingGuang buddha in worship at the Yinshan Temple, which is a Grade 2 historical landmark close to here. In the Taiwanese dialect, DingGuang and Dengkong has the same pronunciation, dinggong , so many people call the DingGuang Ancient Buddha, DingGong Buddha. So, when the committee met to decide on a name for our school, everyone agreed that DengKong is a good choice, especially when the school would also belong to the local DengKong Township. If you have time on this trip, maybe you can visit the landmark temple.</p>	

2.校園介紹(到平面圖區)	這是我們學校的平面圖，我們總共有 4 個教學樓，這是世紀樓，主要是新生教室及科任教室；這是勤學樓，從一樓到五樓，都是不同年級的教室；這是集思樓，有電腦教室、辦公室、圖書館、視聽教室及演藝廳，這是群英樓，一樓有我們最愛的合作社和照顧我們健康的保健中心，二樓是科任老師和校長的辦公室，還有老教師們常常開會的會議室，3 樓以上，都是教室。

This is the JiSi, or thought collecting, building. <b>It</b> has the classrooms of computers, offices, the library, media center, and the performance hall or auditorium. This is the QunYing, or gathering of leaders, building. The first floor has everyone's favorite, the snack shop, and also the nurse's office. <p>This is our school song. (music) In English, it means “Along the Tamsui river, Next to Guanyin Mountain, Dengkong Elementary a place of sights.”</p> <p>The reason why we want to tell you about our song is because the music was written by a famous music teacher in our country, Professor Yang Zhao-Zhen, and the lyric was written by our first principal, Wang ZhongXing. The song is upbeat and bright with great melody and the lyric is warm. It <b>is</b> an easy song to sing and remember. (music)</p>

7.時光劇場	你現在所有看到的畫作，都是第 26 屆的畢業生所創作的「鄧公記憶」，記錄自己從一年級到六年級的鄧公歲月裡，發生的點點滴滴，像這一幅，是學姐們記錄「自己曾經忘記要上課後班，結果等不到家人來接，哭泣的心情。」
All the art works you see here are made by our 26 <sup>th</sup> graduating class based on the topic “Memories at DengKong”. <b>It is</b> a record of everything that happened from first through sixth grade here at DengKong. This one here, <b>it is</b> a painting of an alum crying. She forgot to tell her parents about the <b>after school activities</b> she had, so they didn’t know what time to pick her up, and so when she finished, no one came to get her. This shows her feeling at the time.
